Newsletter (Panui)

Dear Parents and Caregivers

Kia ora koutou

Welcome to the start of a new school year at Christchurch South Intermediate. A special welcome to parents, students and whanau who are making your first association with our school – I trust it will be a positive and rewarding relationship.

We also welcome new staff to our school – Brett Morell (R1), Charlotte Grant (H1) and Kelly McIntosh (H2)

Regular newsletters are emailed home at the end of the 5th week and on the last day of each term. This newsletter is an additional one at the start of the year.

Please note a couple of key school events that are happening this week:

1. "Team Up" Evening - Thursday 7:00-7:45 - a chance for parents to meet homeroom teachers to learn about programmes and expectations etc for the year and how we can partner with you to achieve the best possible outcomes for your children.
2. School Duathlon – All students participate in this event at various times during the day. Parents and family friends are very welcome to come and support the students.

Our school website (www.chchsouth.ac.nz) is kept up to date and is a valuable source of information. All letters home are uploaded to the website (Dates and Events/Correspondence) so a lost or missing letter can be reprinted at home. Newsletters are posted on the website as are the daily notices and interesting articles about school happenings (click on the News button at the top of the page).

The school's public calendar has information about key school dates and events throughout the year and can be accessed a few different ways:

1. Via the school website <http://www.chchsouth.ac.nz/WebSpace/279/>
2. By searching the following link in your web browser <https://www.google.com/calendar/embed?src=office%40chchsouth.ac.nz&ctz=Pacific/Auckland>
3. The calendar is a public Google calendar so you should be able to add it to your Google calendars if you are a Google calendar user.

From time to time we send out important messages as a tweet which you can receive free as a text. **This will be our primary form of communication in the case of an emergency.** To receive free text alerts from the school simply text *follow chchsouth1* to 8987.

Any message the school tweets will, from now on, automatically come to your phone as a text message. You don't have to have a twitter account. This process is very simple and is free for you and the school.

If you want to stop receiving text messages from the school simply text

off chchsouth1 to 8987.

We also use our school Facebook page to communicate with our school community from time to time. Facebook users should find the school Facebook page fairly easily by doing a Facebook search for Christchurch South Intermediate School.

Hopefully you will have received an email about the online registration for a number of activities. The Chess Club and a couple of Visual Arts opportunities, Sea Week Competition and River of Flowers, have been added as opportunities for students to register for in the last couple of days. Go to the Activities Registration link on the home page of our school website for more information.

Thank you for your involvement on Admission Day. We hope you appreciated the opportunity to meet your child's teacher. We realise there is plenty of information to take in, especially those of you who are new to our school community. Please be reassured that we have your child's best interests at the forefront of everything we do and that their homeroom teacher is the first and most critical point of contact for you. You should have their email address. I encourage you to make contact with them should you wish to discuss the specific learning needs of your child. Please don't feel you have to wait until the scheduled parent teacher interview later this term.

At South we like to sort out any concerns or issues students and/or parents may have as soon as possible. We have an "Open Door" policy which means we want you to contact us at any stage during the year. You can phone or email the office and be assured that we will respond promptly. We do however ask that you don't interrupt the staff while they are teaching but instead work through the office to make an appointment or email the teacher directly. Staff are expected to check emails at least once every 24 hours.

We are looking forward to a very full and engaging year of learning and to celebrating with students and their families as they make the most of the terrific range of opportunities on offer at our school.

Parent Teacher Association Welcome

The CSIS PTA would like to extend a very warm welcome to all new parents and caregivers of students at our school. The PTA is a fun way of being involved in the school community, fundraising, making decisions and helping to provide some of the extras that benefit our students.

PTA COMMITTEE MEETING
WEDNESDAY 17 FEBRUARY, 7.30pm
CSIS BOARDROOM

We would like to invite all parents to this meeting to enjoy some coffee, cake and a chat and find out more about who we are and what we do.

Absence

If your child is unwell, unable to attend school or late **it is essential** caregivers phone and advise the office by **pressing 1** on our telephone voicemail before 8.40am. When leaving a message please ensure that you give the office your child's name, room number and the reason for the absence. Alternatively you can email the office on absent@chcsouth.ac.nz.

It is a Ministry of Education requirement that if a child is going to be absence from school for whatever reason a parent or caregiver must make contact with the school explaining the reason for the absence.

We ask that if you email your child's classroom teacher with regard to an absence that you also inform the office.

Lateness

If your child is late to school for any reason, they are required to come to the office to sign in and receive a late pass **before** they make their way to their classroom. We thank you for your assistance in helping us to keep your children healthy and safe.

Leaving school during school hours

If your child needs to leave school for any reason during school hours, would you please provide a note for the classroom teacher, which is also shown to the office staff before the student leaves school. Their name, class and time of leaving will be recorded when

they sign out. If your child is returning to school they must come back through the office to sign back in.

Leaving School due to Illness

If your child is unwell during school hours the procedure is for them to come to the school office and be admitted into the sick bay area. The school office will then ring the parent/caregiver if they are required to go home. **Please discourage your child from texting asking to be picked up because they are feeling unwell.**

Wet Day Procedure

If the weather is cold, wet or inclement and restricts student activity the school will shorten the lunch hour by 15 minutes. School will finish at 2.45pm on such a day. To confirm that the day has been shortened telephone the school on 3322408 then press 2 as the office will leave a message on the voicemail under "school notices, early finishes and cancellations".

Text Alerts

If you would like to receive text alert updates from the school there are currently two ways this can be achieved – either via a Twitter account or a Facebook account. For instructions on how to receive the text alerts go to the Christchurch South Intermediate website under general information then text alerts.

Cellphones

Below is our school's current policy on cellphones. Any home-school contact (phone call or text) is to be through the school office. Thank you for your co-operation.

Procedure 5.06

4. Cell phones

- a. Should a student bring a cell phone to school it is not to be used during the school day unless under direct supervision of a teacher when the device is used to assist learning. The basic rule is "Invisible, inaudible or in the office."

b. Cell phones brought to school can be handed in to the school office for safe keeping and collected at the end of the day.

c. Emergency messages for students are dealt with through the school office.

Naming of School Clothing

Please ensure that **all** school clothing is clearly named this should also include school hats.

Concerns

If you have any concerns about your child's welfare or any situation which is impacting on your child that you feel needs addressing please do not hesitate to contact Polly Hutchinson, Associate Principal at any time.

Bikes, Scooters and Skateboards

We encourage students to build their independence by cycling, skating or scooting to school. Cycles are locked in the cycle compound and scooters and skateboards have a lock up behind Rutherford Pod. It's important that the cycle, skateboard or scooter is locked independently as the compounds are unlocked from 2:55pm to 8:50am the following morning. Any item left in overnight is at risk of being stolen. Please discuss this with your child, if they have e.g. Theatre Sports after school and their padlock isn't working, encourage them to take their wheels with them, it's not safe leaving them in an unlocked compound.

School Canteen

The school canteen is located at the end of the hall opposite the library. The canteen is open every morning from 8.20am. If you wish to order your lunch please do so **before** school. Order forms are available from the office, online from our website under the Home tab, General Information tab, Canteen tab and then double clicking the Canteen Price List and Order Form or from the canteen at the School. Snacks are available at morning and lunch breaks. Please remember juices and moosies are only available at lunch break. Please be patient when coming to purchase items,

remember a smile, a please and thank you make our day a happy one. *Sandra Porter– Canteen Manager*

Public Health Nurse Service

Are you worried about your child's mental or physical health? We have a Public Health Nurse whom you can talk with about your child's health concerns. This is a free and confidential health service provided by the Canterbury District Health Board. The Public Health Nurse for our school is Kate Barry. She is a registered nurse who specialises in child and family health. Kate can arrange with you to meet at home, school or work to provide health support, child and family assessments, advice and coordinate any other family health or support services if required. Kate will run a free drop-in clinic for the students fortnightly at Christchurch South. Kate can be contacted through the school or by phoning the Public Health Nursing Service on 383 6877.

Class Photos

These will be taken on Wednesday, 17th February. This year's photographer is Heritage Productions Ltd. A proof of your child's class photo will be sent home for you to consider purchasing. Orders with payment may be placed by your child with their home room teacher.

School Duathlon

This year the School Duathlon will be held at Christchurch South Intermediate on Thursday, 11th February.

School Swim Sports

To be held at the Wharenui Pool on Monday, 14th March from 10.30am till 2.30pm. Parents are welcome to attend. Those children taking part will travel by bus from school to the pool at 9.50am and return to school by bus at 2.40pm.

ICAS

Each year, Christchurch South Intermediate offers Year 7 and 8 students the chance to participate in The University of New South Wales' International Competitions and Assessments for Schools

(ICAS) programme. These tests have been conducted for over 20 years and provide students with the chance to challenge themselves and monitor their achievement in a range of subjects. While the tests are administered by the school, they are independent of the school programme. Should you wish your child to participate please fill out a slip from our website and return to the school office with the money by **Wednesday, 9th March**.

Leisure Education

What is Leisure Education?

Each year at South, we run a Leisure Education (L.E.) programme on Tuesday afternoons during Terms 2 & 3. This is a unique opportunity for our students to participate in exciting and challenging extra-curricular activities, many of which they may not have tried before. The children are given a chance to sign up for activities that interest them. As choices may alter term by term, we encourage *everyone* to try something new each rotation.

There may be a cost associated with some activities; however, we strive to provide a balance of fee-paying and free activities each term. Options for Terms 2 & 3 will be announced later in Term 1.

If you (parents/caregivers) have a skill, trade or hobby that you would be keen to share with a small group of pupils during our L.E. programme, we would be delighted to hear from you. This is another **excellent** opportunity to become involved in our school community.

Please note: *If your child tries out (and is selected) for one of the Hagley Winter Sport teams, they will be committed to this team for all of Terms 2 & 3. Winter sport trials will be run towards the end of Term 1 as well.*

School Uniform Donations

Donations of used school uniforms and shoes are always greatly appreciated at the school. If you have any of these items especially shoes they can be made at the school office.

"COMMON SENSE" (One of our South values)

Thank you for role modelling and using "common sense" as you drop your children off in the morning and particularly as you pick them up after school.

You have shown "common sense" when you;

- use the patrolled crossing to cross Selwyn Street
- insist on your children using the crossing too
- don't attempt a U turn outside school on Selwyn Street but find an alternative route instead.

We have a wonderful group of student Road Patrol Monitors (well supported by our staff) who do a magnificent job of improving the safe crossing of Selwyn Street. Thank you for your support of their efforts

Christchurch South Intermediate School Road Crossing

Morning: 8.10am – 8.30am **and** Afternoon: 3.00pm – 3.15pm

- Students are reminded to arrive at school by 8.30am in readiness to begin classes at 8.40am
- **Yellow lines**, signifying **no stopping or parking**, have been painted on either side of the crossing. Please do not park on these lines or bus stops as this impedes the ability of our students to view traffic

- Legally, vehicles must **stop** when **one** or **both signs** are extended. The white line on the road is there to indicate where you should stop
- Students operating the crossing have received extensive training from the NZ Police. Please be patient as they perform their required duties
- Students crossing Selwyn Street must cross at the crossing. They may not cross at any other point along Selwyn Street or outside the school
- If students arrive or leave when the patrol team are not on duty, they must wait until both sides are clear before crossing the road. Vehicles should not stop for them at this time

Thank you for your support and co-operation to ensure the safety of our students.

Collecting and dropping off students outside the school

The "South Way" outlines the attributes we value which make our school a better place for us to learn and work together in: Self Discipline, Common Sense, Respect, Commitment, Support, Involvement, and Honesty. We ask that parents take every opportunity to role model these values for their children. With that in mind I would like to thank parents for role modelling "common sense" as they drop their children off in the morning and particularly as they pick them up after school. We ask that parents and visitors parking near the school to drop off or collect children, please not park across our driveways. We have concerns for the safety of anyone entering or leaving the school grounds, cyclists, pedestrians and motorists, because of inadequate visibility when vehicles are not parked at least a metre away from our driveways. We ask also that you do not park in designated bus stop areas.

It is very important that **parents** use the patrolled crossing and insist on their children going to the crossing too. Attempting U turns outside school on Selwyn Street presents a real risk to students and road users so we thank parents for using "common sense" in finding alternative routes.

Christchurch South Intermediate PTA **School Uniform Trade**

Do you have a uniform you wish to sell?

Great!! List your items with us and we'll advertise them for you and put you in touch with interested buyers. To list an item please email Sharyn Creighton at uniforms@chchsouth.ac.nz or phone 981 8136.

Do you wish to purchase a second hand uniform?

We can help!! Go to our school website:
www.chchsouth.ac.nz/PTA/UniformSales
to download the list of items for sale. You will then be able to make contact with the seller directly to make your purchase.

New Year, New Classroom...

Whether your child is about to start school for the first time, or you've been through it all before, here are a few tips to help make the transition out of holidays a little easier on the whole family:

- Get back in the habit of homework by having regular reading time every day. Ask questions about what they've read, and get them to write a little bit too.
- Start gradually making bedtime earlier; late sleep-ins or bleary-eyed children won't help stress levels in that first week back.
- Get the family thinking about ways to make school mornings run more smoothly. A personalised chart is a great way to make sure kids know what they need to do and can check it off as they go. They'll grow in responsibility, and you can break the nagging cycle!

Preparing your kids to deal with others

Parents want to know that their kids are starting a new school year with the resources they need to manage both friendships, and also unkind or bullying behaviour. It's a good idea to be honest with children; they may hear cruel comments from others or be treated unfairly by someone, at some point. Encourage them to put the responsibility for this behaviour with the person who dealt it, rather than assume the blame themselves. And always, a sense of humour and a good natured answer will be your child's best defence against cruelty. Making a game of practicing quick and confident come-backs is a great exercise to inoculate your kids for the challenges ahead. *Kirsten Wyllie, Canterbury Parenting Place Co-Ordinator – www.theparentingplace.com*

2016 School Based HPV Vaccination Programme

Early HPV immunisation offers the best protection against contracting the disease. While girls in Canterbury can get this through their general practice at age 11, a number of girls have not completed the three doses needed for full protection. So from 2016, Canterbury DHB will be offering a School Based Human Papillomavirus (HPV) vaccination programme. This programme is available for all girls in Year 8.

Parents will need to consent to their daughter receiving the vaccinations at school, so look out for the consent form and supporting information in your daughter's school bag in the first week of term.

Netball

Netball is offered as a sport option in Terms 2 and 3. CSIS has approximately 10 teams in the Intermediate Schools' Competition held on Tuesdays 1.45 – 2.45 pm at the Hagley Netball Courts. However, if your student wishes to also play in the Saturday Netball Competition at the Hagley Netball Courts, she/he will have to join a club. Trials for teams usually take place in March. Names of clubs and times of trials are available from the Christchurch Netball Centre, ph. 379 4486 or 374 9492. Leaflets for various Clubs may be available at the Office when clubs drop them off. *Wendy Lynch*
- CSIS Netball Co-ordinator

******* REMINDER *******

*The wearing of sun hats is compulsory during Terms 1 and 4. Hats should be **plain navy blue and either with a wide brim or bucket style.***

Act2 Drama Stars 2016

Registrations are now being taken for your child aged 6-13, or yourself aged 13 and over for our 2016 Drama Stars Program. This course (formally known as Junior Drama run by Harlequin Players) commences Friday 12th February. This program teaches all the essential skills, techniques and tips of drama. It involves our students in all on-stage and back stage elements of a production, where they run the show! For our little stars, the 6-week course covers all the aspects of acting including projection, music, movement, improvisation and the audition process. Our big stars will learn these skills too, plus gain a more advanced knowledge of staging a production, including casting, props, costuming and make-up. Auditions are held during week 3 and every student who auditions gets a role. They will then attend twice-weekly rehearsals, culminating in a well-polished production at the end of the April school holidays. Cost is \$75. To enrol, or for more information on any of our programs, please email us at: act2dramagroup@gmail.com
