MT EVEREST CHALLENGE

Many thanks again to all those students who participated in the Mt Everest challenge. The event raised just over \$4,200 for the school. A special mention to Bobbie Hira, Fergus Ord, Ngaire North, Samantha Ross and Guy Heslop who really gave this challenge their all. Also congratulations to N2 who made an outstanding class effort to return their forms on time. We hope you enjoyed your reward which was kindly donated by Wendy's Supa Sundae - Barrington Mall.

NOVA24 LASER CUTTER SYSTEM

The PTA was very pleased to present the school with a cheque for \$15,000. These funds are going towards the purchase and installation of a Nova24 Laser Cutter system which will allow students to cut and etch their designs from a wide range of hard and soft materials. We look forward to seeing their ideas come to life in 2017.
